## One Single Reason book coming in September!

A book written to single and single-again women, *One Single Reason* is written for everyone who wants to engage in more meaningful conversations and relationships. With God at the head of the table, we will seek wisdom and examples from His Word to guide us as we each pull up a chair and join the conversation. We will dialogue about how we can live out love, for God and for others, since love truly is our one single reason.

**What will be your one single reason for picking up this book?** Author, Michelle J. Goff invites you to dialogue with one of the underrepresented groups in our churches: single women (never married) and single-again (divorced, separated,

or widowed). Through surveys, interviews, personal experiences, consultations, and biblical research, **Michelle gives single women a voice**, inviting everyone into this conversation.

The book will be available in paperback and Kindle formats in September. The audio book, read by the author herself, will be available by the end of the year. Visit <https://IronRoseSister.com/single/> for info and updates. Please pray for the ways God will use this book to equip many (Eph. 1:15-17).

Michelle J. Goff discusses the three primary voices: God's, hers, and other women's.

## Prayerful Plans for Portuguese Launch in Brazil, 2022

We are prayerfully preparing for a campaign to Brazil (pop. 211 million) to

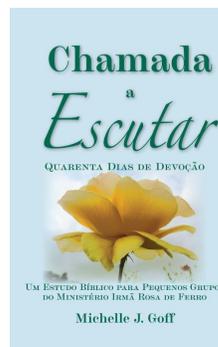

- Share our Portuguese studies with women in various cities
- Host Ladies Days across the country
- Visit the Brazilian printer and distributor
- Equip Brazilian church leaders and missionaries

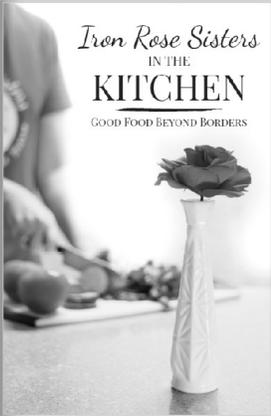

with these resources to equip more women in their relationships with God and with one another.

We plan to send our Executive Director, **Michelle J. Goff**, and our Portuguese Team Leader, **Sabrina Nino**

**de Campos** for two weeks. Sabrina is a Brazilian living in Texas, who has been an integral part of the translation process.

Please pray for God's guidance and provision for this campaign.

### Congregational Strategies; Resource for Church Leaders

"As a male, married, preacher, bringing this awareness, especially in the church, is so vital. I've learned some of this in the past from [Michelle] and others, but this section (**Congregational Strategies**) really was so much more. It is a

**tremendous resource**—something that needs to be shared outside of the single and single-again women with whom you are

conversing." ~Robin Gough, Fairfax Church of Christ

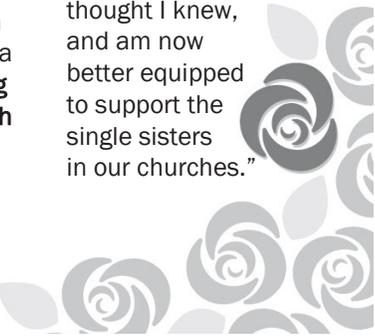

The section to which Robin referred is the sixth of the seven sections in the Bible study book, *One Single Reason: Conversations with Single Women*.

However, this stand-alone section, along with its own introduction, will serve as a **resource designed to bring formal and informal church leaders into the conversation.**

*One Single Reason: Congregational Strategies from Conversations with*

*Single Women* will also be available in September.

Former Board Member, Carla Sumner, served as another beta reader for the book. She shared, "I have learned so much through this book. I've gained perspectives on things I thought I knew, and am now better equipped to support the single sisters in our churches."

### **A Note from Michelle: A Lifetime to Write and a Team to Publish**

God is the Author of each person's story. If we allow Him to write His words on the pages of our hearts, **He can use every experience and circumstance to His glory, in His service, and as a blessing for others.** That sentiment is my prayer for *One Single Reason: Conversations with Single Women*.

This book that has taken a lifetime for God to write on my heart is a reflection of His Word and His work in my life and in the lives of the women whose voices echo on the pages of *One Single Reason*.

**TREMENDOUS, HEARTFELT THANKS to the countless contributors to this project.** Their names would not fit in this space, but their voices have been heard and their talents have been used in service to others. Editors, beta readers, pilot group members, reviewers, those surveyed and interviewed, prayer warriors, sounding boards, and more. Thank you!

I offer to you and to others a special invitation, expressed through the **Preface of *One Single Reason: Conversations***

#### ***with Single Women***

This book cannot begin to capture the breadth and depth of the topic of singleness, nor was that my original intent. Whether discussed in our church buildings, across our kitchen tables, or in coffee shops, the primary goal has been to facilitate a broader and deeper conversation on this topic.

And the one single reason for doing so? Love.

Out of deep love for my single sisters and their constant requests that I author a book like this...

Out of the same deep love for my married friends who long to know how to better support their single sisters...

Out of pained love for the countless young women who are hurting from the world's bombardment of lies and damaging messages...

Out of profound love for other faithful, Christian single women who are weary...

Out of redeeming love for single women who are unsure about their way back to church, or even to God...

And out of the unparalleled love demonstrated by our loving heavenly Father through sending His Son and honoring us with the indwelling of His Spirit...

I humbly offer you a glimpse into these imperfect and perpetually incomplete conversations with single women. Thanks for joining in the journey (1 Cor. 7:7-8).

Michelle J. Goff
