### Happy 13th Birthday, Iron Rose Sister Ministries!

On July 26th, Iron Rose Sister Ministries will celebrate thirteen years of ministry.

What began as a calling to connect English- and Spanish-speaking women and provide Bible study resources has grown into a ministry serving women throughout the Americas in English, Spanish, Portuguese, bilingual, and even trilingual contexts. Through Bible studies, discipleship, events, and partnerships, women are deepening their relationship with God and one another.

For 13 years, we have seen the truth of Proverbs 27:17 lived out: *“As iron sharpens iron, so one person sharpens another.”* Across languages, cultures, and borders, women are being encouraged, challenged, and strengthened through the study of God’s Word, prayer, and Christ-centered relationships.

We are deeply grateful for God’s faithfulness and for every woman, congregation, ministry partner, and volunteer who has been part of this journey. We celebrate every Bible study completed, every resource translated, every leadership opportunity offered, and every life impacted through His work.

And we look ahead with anticipation.

As opportunities continue to grow, so does the need for sustainable support. To strengthen and expand this ministry, **we are seeking to raise an additional \$2,042 in recurring monthly support**, bringing us to our \$2,200 monthly goal, along with **\$12,500 in annual church partnerships**.

These gifts will make it possible to:

- Transition Beliza, our Brazil Coordinator, to full-time support.
- Restore Lyndsay, our Operations Manager, to full-time ministry capacity.
- Expand the development of biblical resources in Portuguese.
- Increase opportunities for international ministry trips and partnerships.

**As we celebrate 13 years of ministry, would you consider helping make the next chapter possible?** A recurring monthly gift of any amount helps build a sustainable foundation for continued Kingdom impact.

**Thank you for celebrating with us!** We look forward to seeing how God continues to work through our Ambassadors, ministry partners, volunteers, and supporters to bear lasting fruit and transform lives across the Americas in the years ahead.
