

The following guidelines have been adopted by Iron Rose Sister Ministries (IRSM) as a policy governing the publication of all content created or owned by IRSM. This policy was initially established and practiced as of November 2020. It was amended as of the date below and will remain in effect until amended or revoked by the Board of Directors of IRSM.

- While IRSM celebrates the accomplishments of its partners, staff, and friends, publication of IRSM content is permitted by IRSM alone.
- Bible study books and other resources published by IRSM will align fully with IRSM's then current mission statement and goals.
- Bible study books will be written solely by Founder and Executive Director, Michelle J. Goff, as the primary face and authority for propagating the mission of IRSM.
- Supplementary content shall include, without limitation, branding materials (marketing or advertisement) or media publications (blogs, brochures, videos, non-Bible study materials, etc.) intended to promote or advance the mission of IRSM and shall be published at the discretion of, and written exclusively by, IRSM staff or its volunteers.

What this means:

- We are happy to add "author" to the bios of any IRSM Staff or Board Members who have published materials or books outside of IRSM publications.
- IRSM will not directly promote non-IRSM published materials or books, on our websites, or at events that IRSM has been invited as a ministry.
- IRSM will only display, promote, or sell its own materials at booths, tables, displays, or otherwise.
- Ambassadors or Staff, serving at an IRSM table/booth, will not promote their own materials in any public way. Private conversations and questions can be answered about what they have authored outside of the IRSM publication process.

Note: All references to IRSM include, without limitation, the Spanish-MHRH and Portuguese-MIRF branches of our ministry as DBAs of IRSM.
